

***Unwed Teen Pregnancy Prevention RFP #2020-300-01***

**Q1. May the proposal include pre-pregnancy prevention *and* secondary post-pregnancy prevention among Alabama youth?**

**R1. Yes.**

**Q2. If a copy of the proposal is submitted on USB, must it also be submitted on CD or DVD?**

**R2. No, only on one electronic device.**

**Q3. May an existing organization align as a DBA to create a name-specific campaign to align with the RFP?**

**R3. Yes.**

**Q4. On 1.1-What is the determination for "high degree of professional skill"?**

**R4. To demonstrate a high degree of professional skill, vendors should have professional experience working in the field of teen pregnancy prevention, as well as two (2) years of experience with government information systems projects and three (3) years of experience managing a statewide project of a similar scale.**

**Q5. On 1.6.4-How is the certificate of compliance earned?**

**R5. Review page 11, Section 2.3 of the RFP and complete Appendix D.**

**Q6. On 3.2.h-Will the stats be provided that need to be tracked, or is this a database where we will collect as much information as possible, and disseminate the information upon request?**

**R6. The Vendor should collect information from credible sources. The website referenced in the RFP document should allow parents, teens, and organizations to educate themselves regarding teen pregnancy prevention methods and best practices.**

**Q7. On 4.2.5.4.5-Can events or counseling be conducted in a church setting, if requested by the church?**

**R7. All program activities must align with requirements as outlined in the RFP..**
